UTILITY CONCIERGE SERVICE

CONNECT ALL YOUR HOME SERVICES  
WITH JUST ONE PHONE CALL!

Connected Moving is a complimentary utility concierge service designed to simplify the moving process for you, as a new home buyer. Our service saves you valuable time and money by connecting you to all service providers with one simple phone call. From Internet, phone, cable, and satellite; to power, gas, and water, we do all the work to make sure your services are on the day you move into your new home.
